

BEYOND GIN AND TONIC

5:30PM-9:30PM

Been thinking about joining the IDA but are still on the fence? Already a member but still don't know many design-y folks? Not sure if you're even eligible to be a member? We got you. Join us for an evening of mingling with other members of the Interior Designers of Alberta who are happy to answer all of the above. In between answering questions, we'll be learning how to mix cocktails like a pro so you never have to settle for gin and tonic again.

Come out and get to know your local design community! This is an awesome opportunity to re-connect with familiar faces, grow your design tribe, and feed your inner mixologist!
